Dear Sir/Madam:

In furtherance of the telephonic interview conducted with the Examiner, Applicant provides this summary: A proposed Amendment was discussed with the Examiner resulting in the filing of the Amendment After Final of April 6, 2006. A discussion took place of the independent claims, and Applicant's comments on the prior art were the same as mentioned in the Remarks section of the Amendment After Final. Specifically, Applicant's Attorney discussed the Amendments found in the Amendment After Final, and how the claims appeared to distinguish over the Dupuis et al. reference. The Examiner indicated the proposed amendments appeared to distinguish over the Dupuis et al. reference and the other art of record.

Respectfully submitted,

SHERIDAN ROSS P.C.
